

PURSUIT

BVIT | News Letter 2015-2016

Bharati Vidyapeeth Institute of Technology is run by the parent body "Bharati Vidyapeeth". It was established in Pune in 1964 by Dr. Patangraoji Kadam (Member of Legislative Assembly, Maharashtra). He is also the chancellor, Bharati Vidyapeeth Deemed University.

The Institute offers 3 years diploma in Chemical Engineering, Computer Engineering, Electronics & Tele-communication Engineering, Industrial Electronics, Information Technology, Instrumentation and Mechanical Engineering in two shifts. All courses of this institute have been accredited by National Board of Accreditation.

The institute has nurtured an excellent Institute – Industry collaboration programme. It has entered into a collaboration with the world renowned Reliance Industries. In this collaborative arrangement, it runs 2 ½ year autonomous Diploma courses in Mechanical, Chemical, instrumentation and Electrical Engineering for the employees of this mega corporation. The faculty members of this institute were also entrusted with responsibility of preparing course material for the training modules for the employees of Reliance Info Com. Limited of Dhirubhai Ambani Knowledge City.

Every year BVIT organizes project exhibition sponsored by MSBTE (Mumbai region) in the month of March and ISTE chapter Paper Presentation for faculty sponsored by MSBTE.

Institute's Vision:

We envision good human beings empowered with the wealth of technical knowledge which enables them to serve mankind at its best irrespective of culture, religion and country.

Institute's Mission:

M1. Social transformation through dynamic education.

M2. To provide value based education and mould the character of younger generations, thus empowering them for a wholesome and lifelong journey.

M3. To provide Society with a professionally competent Engineer, inquisitive Researcher, compatible Team Leader and able Administrator.

From the Principal's Desk

I feel extremely proud of this initiative to publish the second issue of our Newsletter "Pursuit". I take this opportunity to offer sincere thanks to all who have taken efforts to publish this issue.

The Mission of BVIT is to nurture the students with technical and value based education and inculcate leadership qualities to make competent engineers. The students are kept abreast with the latest technological advancements through Industrial visits, Industrial trainings, Expert lectures and other Industry Institute Interactions. These interactions update and groom the students with all latest innovations and motivate them to bridge the gap between their knowledge and skills and Industry expectations.

Mr. P. N. Tandon
Principal, BVIT, Navi Mumbai

BVIT conducts various educational, co-curricular, social, sports and cultural activities for the overall development of the students. This year our students have won Zonal and State Sports events.

I wish all success to this newsletter and offer my wholehearted contribution forever

Editorial

This issue of the newsletter for the academic session 2015 - '16, I am sure, will be an apt platform to provide information and communication among the staff and students. It has been our earnest effort to disseminate news through this edition about all the activities, developments and achievements of our college, events organized & attended, competitions participated & won, technological exhibitions & developments.

This academic session has been an eventful one. We take pride in presenting the success story of our students who have added feathers to our cap with their achievements in various social activities, cultural competitions, State Level Sports and Project Exhibition and the like. We also intend to apprise our readers of the expert lectures and Industrial visits organized to facilitate our pupils in enhancing their technical knowledge and learning their work culture & other aspects of industrial life & functioning, thus paving their way to a successful & comfortable future.

I take the opportunity to express my heartfelt thanks to one and all who have overtly or covertly contributed to the publication of this annual newsletter & also hope our readers to be satisfied with our efforts.
