Mr. P.N.Tandon

Principal, BVIT, Navi Mumbai

I feel extremely proud of this initiative to publish this issue of our Newsletter "Pursuit". I take this opportunity to offer sincere thanks to all who have taken efforts to publish this issue.

The Mission of BVIT is to nurture the students with value based and Objective Based Education and inculcate leadership qualities to make competent engineers. The students are kept abreast with the latest technological advancements through Industrial visits, Industrial trainings, Expert lectures and other Industry Institute Interactions. These interactions update and groom the students with all latest innovations and motivate them to bridge the gap between their knowledge and skills and Industry expectations. BVIT conducts various educational, co-curricular, social, sports and cultural activities for the overall development of the students. This year our students have won Zonal and State Sports events.

I wish all success to this newsletter and offer my wholehearted contribution forever.

Mrs. Madhumita Ukil

HOD, Electronics & Telecommunication Dept.

This issue of the newsletter for the academic session 2019 - '20, I am sure, will be an apt platform to provide information and communication among the staff and students. It has been our earnest effort to disseminate news through this edition about all the activities, developments and achievements of our college, events organized & attended, competitions participated & won, technological exhibitions & developments. This academic session has been an eventful one. We take pride in presenting the success story of our students who have added feathers to our cap with their achievements in various social activities, cultural competitions, State Level Sports and Project Exhibition and the like. We also intend to apprise our readers of the expert lectures and Industrial visits organized to facilitate our pupils in enhancing their technical knowledge and learning their work culture & other aspects of industrial life & functioning, thus paving their way to a successful & comfortable future. I take the opportunity to express my heartfelt thanks to one and all who have overtly or covertly contributed to the publication of this annual newsletter & also hope our readers to be satisfied with our efforts.

ACCREDITATION OF TWO DEPTS., EJ & CH

Bharati Vidyapeeth feels proud to announce that two departments Electronics & Telecommunication and Chemical Engineering have been accredited by National Board of Accreditation for three academic years 2020-2021 to 2022-2023 ie. upto 30/6/2023. Earlier these departments were accredited from 2012-15 and 2017- 2020.

The Expert Team had visited the Institute on 14th February, 2020 to conduct data verification of these programs and confirm the Compliances practiced in these departments. Based on the committees report these Programs were accredited.

File No. 28-17-2010-NBA Date: 05-03-2020

To,
 The Principal
 Bharati Vidyapeeth Institute of Technology,
 Sec-7, C.B.D., Belpada, Opp. Kharghar Rail-Way Station,
 Navi Mumbai- 400615, Maharashtra

Subject: Further accreditation status on the basis of Compliance Report of the programs offered by Bharati Vidyapeeth Institute of Technology, Sec-7, C.B.D., Belpada, Opp. Kharghar Rail-Way Station, Navi Mumbai-400615, Maharashtra.

Sir,

This is regarding Compliance Report submitted by Bharati Vidyapeeth Institute of Technology, Sec-7, C.B.D., Belpada, Opp. Kharghar Rail-Way Station, Navi Mumbai- 400615, Maharashtra for the Diploma Engineering programs which were accredited by NBA for academic years 2017-18 to 2019-20 whose validity is expiring on 30.06.2020.

2. An Expert Team conducted data verification of the programs on 14th February, 2020. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (Diploma)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Chemical Engineering	January, 2019 Document	Accredited	Academic Years 2020-2021 to 2022-2023 i.e. upto 30-06-2023	Accreditation status granted is valid for the period indicated in Col. or till the program has approval of the competent authority, whichever is earlier.
2.	Electronics & Telecommunication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Bharati Vidyapeeth Institute of Technology, Sec-7, C.B.D., Belpada, Opp. Kharghar Rail-Way Station, Navi Mumbai- 400615, Maharashtra as a whole. As such the institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA, because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
