

ANNUAL CULTURAL FEST – “BAHAAR” 2025

The spirit of creativity, culture, and celebration came alive at our institute with the grand celebration of the Annual Cultural Program “Bahaar”. This much-awaited event brought together students and staff in a vibrant display of talent and enthusiasm.

The inaugural ceremony was graced by our respected Principal Sir Mr. P.N Tandon, who encouraged students to participate actively and cherish the cultural roots of our society. His inspiring words set the tone for the exciting days that followed.

Bahaar 2025 featured a kaleidoscope of cultural events that included:

- 🎤 **Singing Competition** – Voices that mesmerized the audience with their melodies and musical flair.

- 🎨 **Art Gallery** – A stunning display of creativity and imagination by our budding student artists.

- 💃 **Dance Competition** – Energetic and graceful performances representing various dance forms of India.

-  **Fashion Show & Dance** – A colorful runway of style, confidence, and creativity by our talented students.

-  **Rose Day and Traditional Day** – Students celebrated friendship, togetherness, and cultural heritage with enthusiasm.

Among all the events, the theatrical play based on the life of Chhatrapati Shivaji Maharaj stood out and was hailed as the highlight of the entire program. The powerful performance, vivid costumes, and impactful dialogue delivery left the audience spellbound and proud of our glorious history.

Adding to the charm of Bahaar was a special event for our teaching and non-teaching staff – "Srujan". This program gave our faculty a wonderful platform to showcase their hidden talents in music, dance, poetry, and art. Their participation added a unique dimension to the festivities.

The entire celebration of Bahaar was a reflection of teamwork, dedication, and the vibrant spirit of our institute. It not only provided a break from the academic routine but also strengthened bonds among students and faculty, making it a truly memorable event.
