

RELIANCE CERTIFIED DIPLOMA ENGINEERS PROGRAM (RCDEP)

Bharati Vidyapeeth Institute of Technology, in association with Reliance Industries Limited, inaugurated the Reliance Certified Diploma Engineers Program (RCDEP) on 11th May 2026 at the Institute premises in Navi Mumbai. The inaugural function marked the beginning of a significant industry-academia collaboration aimed at enhancing the technical skills and professional competencies of maintenance personnel from Reliance Industries Limited across India.

The program was inaugurated in the esteemed presence of Mr. P. N. Tandon, Principal, BVIT Navi Mumbai, Mr J. K. Patil, Vice Principal along with distinguished representatives from Reliance Industries Limited including Mr. Mahesh Gambhir, Head – Manufacturing - Learning & Development, Mr. Nirmal Desai, and Ms. Uma Viswanathan.

A major highlight of the inaugural ceremony was the handing over of the Memorandum of Understanding (MoU) amounting to Rs. 39,71,880/- by Mr. Mahesh Gambhir, Head – Manufacturing L&D, Reliance Industries Limited, to Mr. P N Tandon. The MoU signifies the commencement of an extensive upskilling initiative designed for Maintenance Officers and non-supervisory staff of Reliance Industries Limited.

The training program has been carefully structured to combine classroom learning with online technical sessions. It includes 14 days of intensive offline training conducted at the BVIT campus, followed by 8 weeks of online learning sessions scheduled for two hours per week. The 14-day offline training is being conducted in two phases, with Phase I accommodating 30 participants and Phase II comprising 50 participants.

Participants attending the program have arrived from various manufacturing sites of Reliance Industries Limited located across India, making the initiative a truly national-level professional development program. The collaboration reflects the shared commitment of BVIT and Reliance Industries Limited towards industry-oriented technical education, workforce development, and continuous skill enhancement in the manufacturing sector.

The Institute expressed its pride in partnering with Reliance Industries Limited for this prestigious initiative and reaffirmed its dedication to providing quality technical training aligned with current industrial requirements.
