### **Glimpses of Placement Drive**

## Placement

This year more than 27 companies have approached for the placement of students. Few more companies are in the pipeline. Mechanical Engineering , Electrical Engineering and Civil Engineering students are the most sought for the placement. Recruiter companies are from multinational companies to local companies. CTC varies from 6.0 lacks to 2.4 lacks. Most of the companies are preferring online mode for screening test and conducting interviews at their place. Total 29 students are applied for the job out of that 20 students secured job.
