4	Alister HR Services Pvt. Ltd, Navi Mumbai	• Spoken English Tutorial for FY students to improve their language skill

MoU between Bharati Vidyapeeth Institute of Technology Navi Mumbai AND TATA Indian Institute of Skills

Memorandum of Understanding was signed between Bharati Vidyapeeth Institute of Technology Navi Mumbai AND TATA Indian Institute of Skills on 13th Aug 2025.

The MoU is aimed to benefit students, faculty and staff of BVIT by providing them access to opportunities for skilling in industry relevant courses. The parties agree to the establishment of

seamless collaboration and robust communication channels between Tata IIS, BVIT for ensuring the following deliverables: -

- Knowledge sharing for enhancing course design and delivery methods for both parties.
- Creating awareness about Tata IIS courses amongst the BVIT students, faculty and other stakeholders.
- Identification of suitable candidates (students, alumni and faculty) who can be trained at Tata IIS.
- Integrating Tata IIS courses into the curriculum and calendar of BVIT to enable students and faculty to enhance their practical skills
- Collaboration on industry and research projects
- TOT programs for Tata IIS trainers.

MOU was signed by Mr. Mayank Palan, CFO, from Tata IIS and Prof. P.N. Tandon , Principal from BVIT. Mr. Radhe Chouhan Manager, Mobilization & Partnership, Tata IIS, Ms. Sayali Kakdae, Assistant Manager, Tata IIS, Prof. J. K Patil , Vice Principal BVIT and Dr. Samir Nimkar , TPO, BVIT were present during the event.

Sr. No.	Name of Training / Seminar	Delivered by	Target Students	Date of training /seminar
1	Spoken English Training	Alister HR Services Pvt. Ltd, Navi Mumbai	All First Year Students	26th Dec 2025 to 7nd Feb 2026
2	Personality Development Training	Lotus Educare Academy, Navi Mumbai	All Second Year Students	1st Aug 2025 to 27th Sept 2026
3	Pre Placement Training	Lotus Educare Academy, Navi Mumbai	All students opted for Job	4th Feb 2026 to 5th Feb 2026
4	Career Guidance Seminar for Civil and Electronics & Telecommunication Students	Ms. Anju Nair, Expert Trainer Aviation Sector	TY Civil & Electronics & Telecommunication Students	6th Feb 2026
5	Career Guidance Seminar for Information Technology & AIML Students	Mr. Rizwan Khan Sr. Vice President (Tech) Mirae Asset Sharekhan	TYIF & FYAN students	13th Feb 2026

Career Guidance Seminar for Civil and Electronics & Telecommunication Students

Career guidance seminar for Electronics & Telecommunication Engineering Students was organized on 6th February 2026 at BVIT Navi Mumbai. Ms. Anju Nair presented seminar on the topic "Opportunities in Aviation Sector for Diploma Engineering Students". Dr. Samir Nimkar TPO gave welcome address. Ms. Deepa P. HOD (Civil) felicitated guest Speaker. Ms. Nair who is working in aviation sector since last 25 years shared her experiences during his working in various organizations. Then she elaborated various opportunities for the engineers to work in aviation sector. She also explained how interdisciplinary jobs are available in various files.

Career Guidance Seminar for Information Technology & AIML Students

Career guidance seminar for Information Technology & AIML Students was organized on 13th Feb 2026 at BVIT Navi Mumbai. Dr. Samir Nimkar, TPO briefed about the objective of seminar. Prof. P.N. Tandon , Principal BVIT Navi Mumbai gave welcome address followed by felicitation of all dignitaries on the dais and off the dais. Guest of the function Mr. Rizwan Khan Sr. Vice President (Tech) Mirae Asset Sharekhan presented his talk on the topic “Thrive with AI and Automation”. His session was both thought-provoking and highly practical. The interactive nature of presentation allowed our students to gain a deeper understanding of how artificial intelligence is transforming the industry landscape. Such seminars are instrumental in helping us bridge the gap between academic theory and real-world application. Vote of thanks was presented by Prof. Kanda Kumaran.

Report on Industry-Academia Skills Conclave at Tata IIS, Mumbai

A delegation from Bharati Vidyapeeth Institute of Technology, including Dr. Samir Nimkar and Prof. Jaypal Patil, participated in the "Skills Conclave: Skills for a Strong Future" hosted by Tata Indian Institute of Skills (Tata IIS) in Mumbai on 18 July 2025. The conclave featured discussions on Industry 4.0, Advanced Manufacturing, Electric Vehicles, and future-ready skills, along with a campus tour and networking sessions. Tata IIS appreciated the institute's active participation and valuable contributions to the event. To strengthen industry-academia collaboration, Tata IIS shared a draft Memorandum of Understanding (MoU) outlining potential areas for joint skilling initiatives. The proposed collaboration aims to enhance student opportunities through future-focused education and skill development.

Five-Day Training Program at Tata Power Skill Development Institute (TPSDI)

Final year Electrical, Civil and Mechanical Engineering students from Bharati Vidyapeeth Institute of Technology (BVIT), Navi Mumbai, attended a five-day Rooftop Solar Supervisor Training Program conducted by Tata Power Skill Development Institute (TPSDI), Vidyavihar. The training was organized in collaboration with MNRE to enhance students' technical knowledge and industry readiness in the renewable energy sector. Students received practical exposure to rooftop solar systems, soft skills, and emerging green energy technologies. The program also included placement assistance based on interview performance, improving students' employability. The training proved to be a valuable industry-oriented learning experience that strengthened the institute's collaboration with Tata Power.

Placement

This year more than 25 companies have approched for the placement of students. Few more companies are in the pipeline. Meachnical Engineering , Electrical Engineering and Civil Engineering students are the most sought for the placement. Recruter copmanies are from multinatiponal companies to local companies. CTC varies from 6.0 lacks to 2.4 lacks. Most of the compnaies are prefering online mode for screening test and conducting interviews at their place. Total 16 students are applied for the job.
